**Re:** N0275, Phase II Trial Evaluating Resection Followed by Adjuvant Radiation Therapy (RT) for Patients with Desmoplastic Melanoma

You are in receipt of the activation materials for the above study. The title page has been corrected to reflect that the NCI version date has been synchronized with the actual date the protocol was last submitted to NCI, which was March 4, 2003, rather than July 3, 2003. Please replace the title page with the attached.

**Please note for the Web, the effective date on the protocol will remain July 11, 2003, with the corrected title page inserted reflecting the NCI version date of March 4, 2003.**

If you have any questions, please feel free to contact me.
