Subject: N0275, Phase II Trial Evaluating Resection followed by Adjuvant Radiation Therapy (RT) for Patients with Desmoplastic Melanoma

The forms packet has been revised as follows:

- (1) *Desmoplastic Melanoma On-study Form* – Headers were reformatted for consistency with headers on other forms.
- (2) *At Completion of Radiotherapy Form* – The radiation information was removed from this form and placed on the Radiation Therapy Reporting Form.
- (3) *Radiation Therapy Reporting Form* – The radiation information was removed from the *At Completion of Radiotherapy Form* and placed on this form. Also, typographical errors were corrected, a new question was added, and clarifications were made to the ‘unscheduled interruptions in external RT’ section.
- (4) *Post Radiotherapy Form* – Headers were reformatted for consistency with headers on other forms.
- (5) *Notification Form (Grade 4 or 5 Non-AER Reportable Events)* – Headers were reformatted for consistency with headers on other forms.
