N0626: Phase II Randomized Study Pemetrexed With Sorafenib versus Pemetrexed Alone as Second-line Therapy in Patients With Advanced Non-Small Cell Lung Cancer

Update 1 – August 28, 2009

Summary

Editorial/administrative changes.

Replacement pages are included. Please incorporate into the protocol and keep this update with your protocol.

Title page Updated to reflect Update 1 and revised NCI version date.

Section 14.0 **Body Fluid Biospecimens**

Page 39: The first paragraph of Section 14.212 has been updated as follows:
Participating institutions may obtain kits by **completing and** faxing the N0626 Fax Supply Order Form (found in the Forms Packet) to the number listed on the form. **Write the site address on the Fax Supply Order Form to where the supplies will be sent. There is no need to return unused kits to MML.**

Page 40: Sections 14.22, 14.254 have been revised as follows to reflect current shipping instructions:
14.22 All samples must be collected and shipped Monday-~~Friday~~ **Thursday ONLY.**
14.254 Ship specimens via Priority Overnight service, Monday-~~Friday~~ **Thursday ONLY**, to Mayo Medical Laboratories (MML). Do not send samples on weekends or holidays.

Page 41: Section 14.255 has been updated as follows:
~~Use kit mailing labels~~ **White bar-coded FedEx labels are affixed to the shipping boxes** for shipment to MML.
