

NCCTG

NORTH CENTRAL CANCER TREATMENT GROUP

Operations Office

Date: June 5, 2009

To: Primary CRA's, Nursing Board Members

From: Tracee Shevlin
Research Protocol Specialist III

Re: N07C2, The Use of Wisconsin Ginseng (panax quinquefolius) to Improve Cancer-Related Fatigue: A Randomized, Double-Blind, Placebo-Controlled Phase III Study

Please note that the Continuation Phase Eligibility Checklist has also been updated to reflect the removal of the reference to allied health professional.

Do not hesitate to contact me if you have any questions.
